E-commerce Packaging

DESCRIPTION

At Font Packaging Group, we provide a comprehensive range of packaging solutions for garments. We produce shirt boxes, die-cut boxes with hanger fittings, and self-assembling models for e-commerce shipping.

Our products are designed to ensure that garments arrive in the best possible condition, whether for end customers or retail stores. With our high-quality packaging, you can be assured that your products will be delivered in perfect condition.

Explore our packaging solutions for finished garments and guarantee optimal delivery for your customers.

FEATURES

- ✓ 100% Recyclable

HORIZONTAL GARMENT BOXES

- We have boxes for shipping garments horizontally with hangers. The boxes feature dedicated sections for placing hangers to prevent damage to the garments during transportation. Options for courier shipping or groupage freight are available. Suitable for 1–2 or more garments. Fully customizable and adaptable in size to fit your garments.

CAPICUADA HORIZONTAL SHIPPING BOXES

- Boxes for postal shipping of all types of garments. They come with self-adhesive closure systems featuring 1, 2, or 3 strips to facilitate box reuse by the customer. Pre-die-cut or Rapetape opening systems are available. Customizable on both the exterior and interior of the box. Standard sizes are available in permanent stock.
