DESCRIPTION

The self-adhesive Kraft paper tape is environmentally friendly as it is made from renewable raw materials, using Kraft paper and natural rubber adhesive (solvent).

Recyclable along with the cardboard box: it does not generate any impurities. It is a flexible and strong tape with formats of up to 70 grams for boxes with loads of up to 30 kg.

Easy to apply using standard plastic adhesive tape dispensers. The tape can be presented in white or brown and is customizable.

FEATURES

- ✓ 100% Recyclable

TYPES

Kraft paper adhesive tape

- The self-adhesive Kraft paper tape is environmentally friendly as it is made from renewable raw materials, using Kraft paper and natural rubber adhesive (solvent).

Paper tube

- We offer cardboard tubes in various thicknesses and sizes.
- Fully customizable in dimensions and finishes, we provide tubes printed inside or outside depending on your needs.
- We also have options for caps made from paper to create a completely eco-friendly shipping set.
- Standard sizes (Diameter x Height):
 - 40 x 310mm.
 - 50 x 430mm.
 - 50 x 500mm.
 - 50 x 640mm.
 - 50 x 850mm.
 - 60 x 500mm.
 - 60 x 640mm.
 - 60 x 750mm.

TYPES

Gummed tape

- Boxes sealed with gummed tape can be fully recycled after use, including the tape itself.
- The tape is particularly suitable for heavy and/or valuable packages.
- It is easy to use as it is a quiet and smooth tape.
- Gummed paper is available in different widths:
50 mm.
60 mm.
70 mm.
- Due to its adhesive properties and strength, it is very suitable for preventing theft, and it is also not sensitive to temperature fluctuations, and the tape can be printed on.
- We offer the tape in white and brown finishes with the option to add stripes to increase the tape's strength.
- Applicable in both manual and automatic machines.
- The adhesive is activated by moistening the tape with water.
