INDUSTRIAL CARDBOARD SHEET

CATEGORY

Large Containers

DESCRIPTION

In Industrial Packaging, cardboard formats are characterized by their large dimensions and strong qualities.

At Font Packaging Group, we offer cardboard sheets measuring 2400mm in width by 5500mm in length, with cardboard grades featuring AC or ACC flutes.

The use of virgin quality papers over 200gsm provides the strength needed to meet the mechanical requirements of your products.

FEATURES

☒ 100% Recyclable
