

PAPER TUBE

CATEGORY

Protection and fixation

Corner protectors and tubes

DESCRIPTION

We offer cardboard tubes in various thicknesses and sizes. Fully customizable in dimensions and finishes, we provide tubes printed inside or outside depending on your needs.

We also have paper-made lid options to create a completely eco-friendly shipping set.

FEATURES

- ☒ Recyclable materials
- ☒ 100% Recyclable

DESCRIPTION

- The self-adhesive Kraft paper tape is environmentally friendly as it is made from renewable raw materials, using kraft paper and natural rubber adhesive (solvent).
- It is recyclable along with the cardboard box: it does not generate any impurities.
- It is a flexible and strong tape available in formats up to 70 grams for boxes with loads of up to 30kg.
- Easy to apply, it can be used with standard plastic adhesive tape dispensers.
- The tape can be presented in white or brown and is customizable.
- The tape has a thickness of 90 microns.
- It is ideal for use with kraft-coloured boxes as it blends in very well.

- Features:
 1. Material: Kraft paper and adhesive.
 2. Colour: Brown, white, or customizable...
 3. Tape width: 50 mm.
 4. Core diameter: 76 mm.
 5. Roll length: 50 metres.
 6. Adhesive type: Hotmelt.
 7. Dimensions: 5000 x 5 x 0 cm

PAPER TUBE

- We offer cardboard tubes in various thicknesses and sizes.
- Fully customizable in dimensions and finishes, we provide tubes printed inside or outside depending on your needs.
- We also have lid options made from paper to create a completely eco-friendly shipping set.
- Standard sizes (Diameter x Height):
 1. 40 x 310mm.
 2. 50 x 430mm.
 3. 50 x 500mm.
 4. 50 x 640mm.
 5. 50 x 850mm.
 6. 60 x 500mm.
 7. 60 x 640mm.
 8. 60 x 750mm.

GUMMED PAPER TAPE

- Boxes sealed with gummed paper tape can be fully recycled after use, including the tape.
- The tape is particularly suitable for heavy and/or valuable packages.
- It is easy to use as it is a quiet and smooth tape.
- Gummed paper is available in different widths:
 1. 50 mm.
 2. 60 mm.
 3. 70 mm.
- Due to its adhesive capacity and strength, it is very suitable for preventing theft, and it is not sensitive to temperature fluctuations, and the tape can be printed.
- We offer the tape in white and brown finishes with the option to add stripes to increase the tape's strength.
- Applicable in manual and automatic machines.
- The glue is activated by moistening the tape with water.
