

FOOD BOXES (TEN)

CATEGORY

Protection and fixation

Cardboard with special treatments

DESCRIPTION

Our food boxes are treated with TEN technology, ensuring their strength and safety for contact with food.

Made from 100% recyclable cardboard, they are a sustainable and eco-friendly option for packaging and transporting food products.

The TEN treatment provides an effective barrier against moisture and contaminants, guaranteeing the freshness and quality of the food. Ideal for supermarkets, restaurants, and catering services looking for environmentally responsible packaging solutions.
