

WATERPROOF BOXES (PET)

CATEGORY

Protection and fixation

Cardboard with special treatments

DESCRIPTION

Our waterproof boxes are made from double-walled corrugated cardboard laminated with PET, providing superior protection against moisture and water. These boxes are ideal for storing and transporting moisture-sensitive products.

The corrugated cardboard offers strength and durability, while the PET layer ensures total waterproofing. Perfect for the food, pharmaceutical, and other industries that require a safe and reliable packaging solution.

FEATURES

- ✓ 100% Recyclable
