Protection and fixing

Greenpack

DESCRIPTION

Introducing GREENPACK, our new self-adhesive open channel cardboard. Specially designed to protect circular products, GREENPACK is the ideal solution for creating custom packaging online, perfectly adapting to the needs of the e-commerce sector.

Its self-adhesive structure facilitates quick and secure packaging, ensuring the protection and stability of products during transport.

With GREENPACK, you can optimise your packaging processes and reduce waste, making your business more efficient and sustainable.

FEATURES

- ✓ Recycled materials
- ✓ 100% Recyclable
- ✓ Self-assembling
